GHANATHE ROHIT

Aspiring Full Stack Web Developer | MERN Stack | CS Graduate (Data Science)
Hyderabad, India | 2004ghanatherohit@gmail.com | +91-7396048957 | LinkedIn | GitHub | Portfolio

EXPERIENCE

Development Intern — HCL GUVI
May 2026 – Present | India

- Built full-stack routes from REST APIs to MongoDB models and PHP/TypeScript frontend components.
- Cut API response times by 20% via Redis caching.
- Optimized MongoDB queries, reducing query time.
- Reduced page load time by 30% using Qwik's resumable components and achieved 90+ performance.
- Built REST API endpoints and reusable UI components with Tailwind CSS/HTML/CSS.
- Collaborated with engineers via Git/GitHub, submitting PRs.

PROJECTS

ElevateFit — Full Stack Fitness Web Application
Next.js, TypeScript, Tailwind CSS | GitHub

- Developed a responsive fitness platform for workout plans, nutrition resources, and fitness tracking.
- Built reusable UI components to improve maintainability and reduce duplicate code.
- Implemented authentication and user profile management.
- Designed scalable routing architecture for improved application structure.
- Optimized responsive layouts for desktop and mobile devices.

Book Store Web Application
MERN Stack, Redux Toolkit | GitHub

- Developed a MERN-based e-commerce web application.
- Implemented JWT authentication and protected routes.
- Built CRUD APIs for products, users, and orders.
- Developed an admin dashboard for inventory and order management.
- Integrated MongoDB with REST APIs for data management.

TECHNICAL SKILLS

Languages: C++, HTML, CSS, JavaScript
Frameworks & Libraries: React.js, Next.js, Node.js, Express.js, Bootstrap, Tailwind CSS, Qwik
Databases: MySQL, MongoDB, SQL & Relational Databases, Redis
Tools & Other: Git, GitHub, REST APIs

EDUCATION

CMR Engineering College, Hyderabad
Bachelor of Technology, Computer Science and Engineering (Data Science) | 2022 – 2026

Sri Chaitanya College of Education
Intermediate Certificate, MPC | 2020 – 2022

Kotwal's School
CBSE – Secondary School Certificate | 2011 – 2020

CERTIFICATIONS

- Smart Coder — Smart Interviews
- SQL — IBM Cognitive Class
- Responsive Web Design — FreeCodeCamp
- Enterprise Design Thinking Practitioner
- What Is Generative AI?
- Web Development Fundamentals

ACHIEVEMENTS & ACTIVITIES

- Secured 1st and 2nd place in inter-college coding competitions.
- Organized and led technical events attended by 100+ students.
- Represented college in inter-college football tournaments, demonstrating teamwork and leadership.

LANGUAGES

English, Hindi, Telugu, Marathi
